Volunteered commitments	More recycling via the ASTC waste depot; Shredded paper, Gyprock can be crushed/added to garden planter mix to aerate clay soils Cardboard can be used as weed management underneath mulch to help initial weed prevention		Advocate for solar battery at AS Leisure Centre, Deliver Greening Strategy including shade on busy suburban footpaths, Prize for best verge gardens converted from buffel/weeds to native plants, reassess options for town recycling.		Further commitments to recycling. Further strategies to reduce waste at Regional Waste Management Facility. Full commitment to paths and transport master plans to increase inclusion & decrease carbon footprint of Mparntwe residents.				Tree-planting and natural landscaping in public spaces for shade and wildlife; Collab with local TOs on land care & fire mgt; Youth-led env. Projects, First Nations knowledge of env. & co-design in planning inc. waterways, env. education & more.		Council can move very slowly. From experience real progress requires practical reports & clear methods for achieving our goals. Brings experience setting up Eastside Community Garden. Prepared to do the work outside of the Council chamber.	Advocate for solar battery @AS Leisure Centre, Deliver Greening Strategy including shade on busy suburban footpaths, Prize for best verge gardens converted from buffel/weeds to native plants, reassess options for town recycling.	Rubbish removal too CBD focused - better coverage throughout. Better lighting in poorly lit areas- crime thrives in darkness. Let's make Alice a place we feel proud to live in rather than cringe every time someone says, "Oh, you live in Alice Springs do you?
